TRANSFER GUIDE

BACHELOR OF ARTS IN INTERNATIONAL BUSINESS PROGRAM

OVERVIEW

The international business major is designed to prepare students for positions in large businesses with global operations. The program builds on a foundation of liberal arts courses and provides the educational background to begin a career in international business. The program design seeks to ensure that students attain a broad perspective on the unique feature of multi-national businesses thus preparing them for successful careers in global reaching enterprises. The skills learned will allow graduates to progress in a career or to pursue advanced studies.

WHY THIS PROGRAM?

Real Experience: As a student you'll receive credited internship hours that will help ensure you graduate with the skills needed to make an impact in your chosen career field. You can fulfill these credits anywhere in the world!

Flexible: Offering a range of online degree programs and providing you customized content that you can read, listen to, watch, or interact with based on whatever way you learn best.

Make international connections: From hands on internships to opportunities to mingle with international business leaders, international business majors have the opportunity to network with organizations that conduct business worldwide. Briar Cliff offers unlimited experiences to set you up for a successful career at home or abroad.

Briar Cliff offers one of the region's only dedicated international business program curriculums. If you decide to earn a double major, you can accomplish it in just 4 years.

PROGRAM ENTRY

Students enrolled in this cooperative program complete their Associate of Science in International Business at Western Iowa Tech Community College and Bachelor of Arts in International Business at Briar Cliff University. Assessment and advising before registration will help ensure success in program planning and completion.

CAREER OUTLOOK
