Rubric

Use of Internship/Work Performance Evaluation Form

Superior Work: This student exceeds the expectations of the supervisor and produces an extremely high level of work on a regular basis, based upon the follow criteria:

- Demonstrates the relationship between the theoretical concepts of mass media and the practical application in a professional environment on a regular basis
- Demonstrates extraordinary ability to perform duties as required by supervisor
- Performs problem-solving tasks in an efficient manner
- Is assertive in asking for additional or challenging work
- Demonstrates a high level of independence
- Has a positive attitude towards their work and their work environment

Excellent Work: This student exceeds the expectations of the supervisor and produces excellent level of work on a regular basis, based upon the follow criteria:

- Demonstrates the relationship between the theoretical concepts of mass media and the practical application in a professional environment often
- Demonstrates an excellent ability to perform duties as required by supervisor
- Performs problem-solving tasks in an efficient manner
- Is assertive in asking for additional or challenging work
- Demonstrates an ability to work on their own
- Has a positive attitude towards their work and their work environment

Good Work: This student meets most of the supervisors' expectations and produces quality work on a regular basis, based upon the following criteria:

- Demonstrates the relationship between the theoretical concepts of mass media and the practical application in a professional environment occasionally
- Demonstrates an ability to perform duties as required by supervisor
- Occasionally performs problem-solving tasks
- Needs minimal supervision when running into difficult problem solving tasks
- Often shows an excitement for their work and their work environment

Average Work: This student meets some of the supervisors' expectations and produces acceptable work on a regular basis, based upon the following criteria:

- Understands the relationship between the theoretical concepts of mass media and the practical application in a professional environment but lacks the ability to demonstrate it
- Demonstrates an ability to perform duties as required by supervisor
- Needs supervision when running into difficult problem solving tasks
- Needs mentoring on a regular basis to achieve acceptable work
- Occasionally shows an excitement for their work and their work environment

Poor Work: This student rarely meets the supervisors' expectations and is highly likely not to produce acceptable work on a regular basis:

- Does not demonstrate or understand the relationship between the theoretical concepts of mass media and the practical application in a professional environment
- Lacks the ability to perform duties as required by supervisor
- Requires supervision when perform tasking.
- Needs mentoring on a regular basis to achieve acceptable work
- Displays a negative attitude for their work and their work environment
