TRANSFER GUIDE

BACHELOR OF ARTS IN ACCOUNTING PROGRAM

OVERVIEW

The curriculum is designed with the goal of developing a level of technical competence to prepare the student for a career as a professional accountant. The required coursework provides the student with the minimum educational requirements to sit for the Uniform Certified Public Accountant examination and other similar professional accounting certifications. The student will

receive a broad educational background which emphasizes in social responsibility and professional service. Major course work has been designed to build on the student's liberal arts foundation coursework that emphasizes reading, writing, mathematics, research, critical thinking and problem-solving.

WHY THIS PROGRAM?

Outcome Focused: Our program is designed to prepare you for the most important test you will ever take - the Uniform Certified Public Accountant examination. The CPA is the most globally recognized certification for accounting majors and opens up almost every door in the business world.

Real Experience: Specialized courses taught by experienced faculty who bring their real-world perspective into the classroom. As an accounting student at Briar Cliff, you'll help with the Volunteer Income Tax Assistance (VITA) program; helping low-to-moderate income families and elderly individuals in the community file their taxes. We also help students find internship opportunities, ensuring you graduate with real world experience.

Efficient: Our program is organized to easily accommodate traditional undergraduate, transfer, and continuing education students. You will work with your advisor to ensure you graduate within the timeline that makes sense for you.

PROGRAM ENTRY

Students enrolled in this cooperative program complete their Associate of Science in Accounting at Western Iowa Tech Community College and Bachelor of Arts in Accounting at Briar Cliff University. Assessment and advising before registration will help ensure success in program planning and completion.

CAREER OUTLOOK

Demand for qualified accountants and auditors has grown steadily over the past 10+ years, and this growth will continue for the foreseeable future. Experienced accounting professionals from the Baby Boom generation are retiring in significant numbers and driving demand for replacement talent. In today's business environment, organizations are facing heightened scrutiny and increased regulations, which means they need accounting and auditing help to comply with new laws. Finally, globalization is leading to more diverse and complex international business transactions, which require more accounting resources and expertise. Earning this degree can lead to many attractive corporate, public and government accounting jobs.
