BACHELOR OF ARTS IN BUSINESS ADMINISTRATION PROGRAM

OVERVIEW

The business administration program delivers a quality education and develops individuals who can provide leadership in a changing global environment, within an ethical and socially responsible framework. This is accomplished through a broad education using business theory and practice and based upon a liberal arts foundation. Courses are based on a concept that emphasizes not only technical competence but also the ethics of professional service, thus seeking to foster sensitivity and responsiveness to social responsibilities as well as the ability to identify and pursue personal opportunities. Experienced faculty achieve this through a variety of teaching techniques including lectures, cases, role-playing, seminars, directed study, internships and computer team simulations and arranging/ supervises credited internships experiences.

Students can tailor their business degrees to fit their needs, with opportunity for elective courses specializing in management, marketing, finance and sports management. You'll receive hands-on experience and skills that apply to virtually any industry in the modern business world - private, government, international commerce, health care, arts, and non-profit organizations.

PROGRAM ENTRY

Students enrolled in this cooperative program complete their Associate of Science in Business Administration at Western Iowa Tech Community College and Bachelor in Business Administration at Briar Cliff University. Assessment and advising before registration will help ensure success in program planning and completion.

WHY THIS PROGRAM?

Career Focused: From Blue Bunny and Gelita to Amazon, our program alumni have gone on to work for a variety of local and international companies and corporations. Our specialized courses are taught by experienced faculty who bring their real-world experience to the classroom every day.

Flexible: Offering a range of online degree programs and providing you customized content that you can read, listen to, watch, or interact with based on whatever way you learn best.

Get Experience: Learn from our veteran faculty and land internships around Siouxland and beyond. As a student, you can receive credited internship hours, which will ensure you graduate with real world experience.
