The Department of Education randomly selected your student's 2021/22 Free Application for Federal Student Aid (FAFSA) for a review process called Verification. In order to enter the changes required to your student's FAFSA due to the verification review process the below information is required.

- **If the requested forms and documents are not completed within 30 days:**
  - Any Federal Financial Aid awarded will be canceled/returned to the Department of Education
  - The student will then need to contact the BCU Business Office to make arrangements to pay their bill.
- You may submit your verification documents after the 30 day deadline but prior to the end of the term to have your Federal Financial Aid awarded or re-instated, however; not all of the programs for which you may have been previously eligible may have funding remaining.

Please complete this worksheet in full with a parent signature and submit it to the BCU Financial Aid Office in Noonan Hall. You may fax, scan and e-mail, drop off or physically mail to the address listed above.
