## 2018-2019 Independent Verification Worksheet – V4

Your application was selected for review in a process called Verification by the U.S. Department of Education. The financial aid program rule ((34 CFR, Part 668)) states that before awarding federal student aid, BCU may ask you to confirm the information reported on your Federal Application for Federal Student Aid (FAFSA). Attach all required documents and submit them to the BCU Office of Student Financial Aid in **Noonan Hall**. If there are differences between your application information and your financial documents BCU will need to make the necessary corrections. **Responsibility of BCU Students: If the requested documents are not complete, as well as received in a timely manner, any aid the student has received may be canceled and the student runs the risk of being prohibited from registering for future courses.**
